

There is **extraordinary** potential in very **ordinary** things— things all around us.

The potential depends upon whose hands those ordinary things are in.

Old & New Testament Examples:

- A _____ in the hands of _____ (Exo 4:1-5)

- Empty _____ and _____ in the hands of _____'s 300 (Judg 7:9-22)

- A _____ and one smooth _____ in the hands of _____ (1 Sam 17:38-49)

- A _____ in the hands of _____ (Luke 5:27-32)

- Five _____ and two _____ in the hands of a _____ (John 6:1-14)

- _____ and _____ in the hands of _____ (John 12:1-8)

- A _____ in the hands of some _____ (Acts 9:19-25)

What about you? What is that in your hand?

What can you “**entrust**” to your “**faithful Creator while doing good**” in 2018?
