

Having spent a little bit of time becoming acquainted with the Holy Spirit, we need to turn our attention to the amazing opportunity to build a relationship with the Spirit. We quickly find in the pages of God's written revelation to mankind that the Spirit has acted first. The Spirit has been laying the groundwork and making the opportunity possible long before we were ever born.

In our next lesson, we'll explore the Spirit's work in the inspiration, documentation, and preservation of what we call the Bible, but let's start with where we can see the Spirit at work in the life of Jesus.
